WELCOME to Wychavon 2017!

All of this info has been prepared in response to requests from bands in the past . **Please share this info with your band members!**

Here you will find information about road access to the venues and information about the halls in which you will play. Please note all the details given here are subject to change.

The pack includes:

- General plans of the venues at De Montfort and their relative positions.
- DIAGRAMS AND IMAGES OF EACH OF THE PLAYING HALLS FOR YOUR SECTION

PARKING ARRANGEMENTS:

When you arrive at De Montfort school gates you will be directed to various parking areas by stewards. Please listen to what they say!

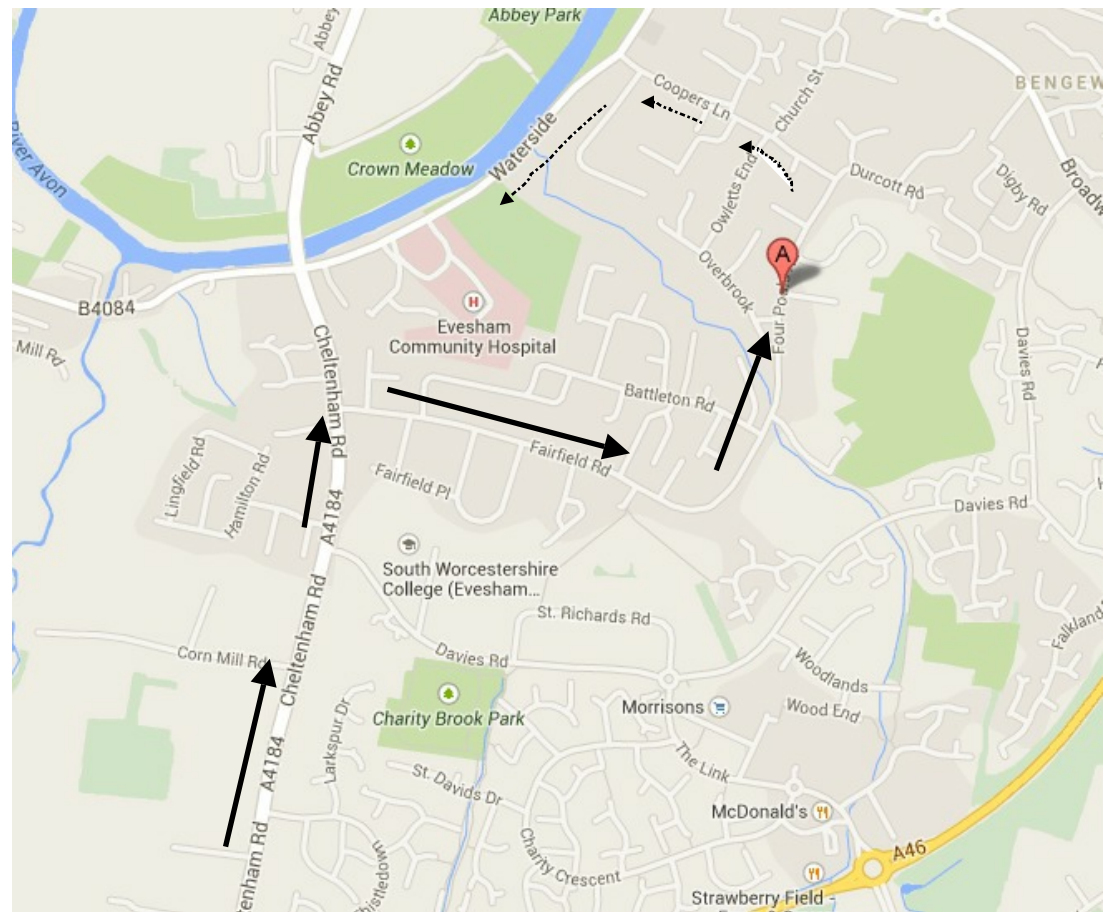

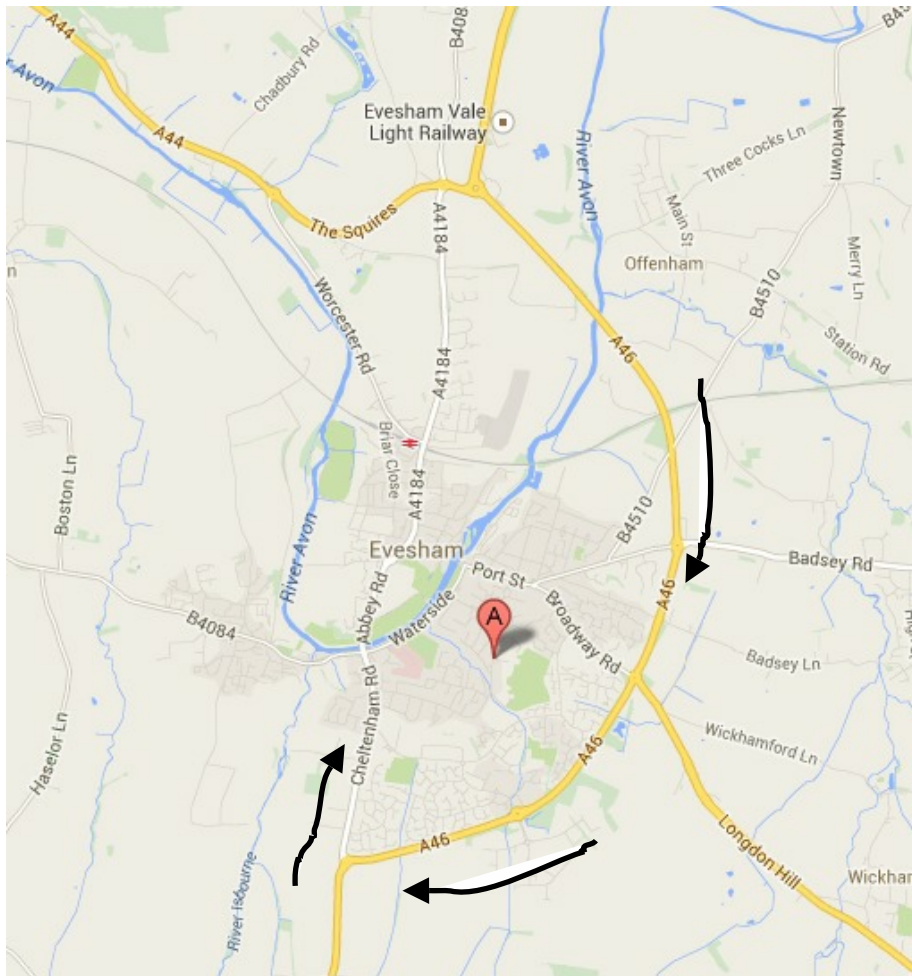

Coach parking is still being arranged. We need to know how many coaches will turn up so please let Kevin know asap so we can organise this. There is a small area set aside at the school for coach parking. The maps show other possible coach parking areas.

Car parking: At De Montfort main site there are a small number of places only for band and public car parking. Priority goes to committee, adjudicators and traders.

However, there is ample parking (80 places) at the (now closed) De Montfort Lower School. Which is about 150 metres away. A shuttle bus will run between the sites for most of the day.

Once meeting the roundabout at the Cheltenham road go right along the A4184 towards the town centre. Turn right onto Fairfield Road. This leads into Four Pools Road. Both schools are on the right (A on map).

De Montfort School is on Four Pools Lane, just off four Pools Road.

From the South: Follow the direction given above from the Cheltenham Road roundabout.

After dropping off, coaches should carry on along Four Pools Road into Coopers Lane and then left along Waterside. This route avoids going through the town centre. FULL INFO ABOUT COACH PARKING ETC TO FOLLOW.
